

## SLQ Appeals policy

### Introduction

This policy is aimed at our Centres, who are delivering a SLQ approved qualification or award. It sets out the process you should follow when submitting appeals to us regarding decisions made by the Awarding Organisation or if a learner wishes to appeal an assessment decision and has exhausted the Centre's internal appeals procedure; and is the process SLQ will follow when responding to appeals.

### Review arrangements

SLQ will review the policy as part of our self-evaluation arrangements and revise it as and when necessary in response to customer and learner feedback or requests from, or good practice guidance issued by, the regulatory authorities

If you would like to feedback any views, please contact us via the details provided at the end of this policy.

### Qualification Centre's (Centre) responsibility

It's important that your staff involved in the management, delivery, assessment and quality assurance of our qualifications or awards are aware of the contents of the policy.

In addition, you must have internal appeal arrangements which learners must be aware of and can access if they wish to appeal against a decision taken by your Centre. If an individual wish to appeal against a decision taken by a Centre they must first of all go through the Centre's appeals process before bringing the matter to SLQ.

### Review arrangements

SLQ will review the policy as part of our self-evaluation arrangements and revise it as and when necessary in response to customer and learner feedback or requests from, or good practice guidance issued by, the regulatory authorities (e.g. to align with any appeals and complaints process established by the regulatory authorities).

If you would like to feed back any views, please contact us via the details provided at the end of this policy.

## Fees

SLQ will charge you or your learners a fee of £50 to cover the administrative costs involved in dealing with appeals. This will be refunded in the case of successful appeals. An appeal will not be accepted without the correct fee.

## Areas covered by the policy

This policy covers:

- Appeals from Centre's in relation to a SLQ decision concerning a Centre's application to offer SLQ qualification's or awards.
- Appeals from Centre's concerning the contents of Centre engagements.
- Appeals from Centre's relating to a SLQ decision to decline a Centre's request to make reasonable adjustments or give special considerations
- Appeals from Centre's in relation to the application by SLQ of a sanction/action on a Centre resulting from a Quality Assurance monitoring visit or an investigation into malpractice or maladministration or a decision to amend a learner/set of learners' results following a malpractice or maladministration investigation.
- Appeals from Centre's relating to a decision made by SLQ following an investigation into a complaint about a Centre
- Appeals if you believe SLQ/Sports Leader shave not applied our procedures consistently or that procedures were not followed properly, consistently and fairly.
- Appeals from a Centre in relation to a SLQ response or decision following a formal complaint from a Centre (this appeal would be accepted on completion of the Complaints Policy procedure).
- Appeals from learners who have been through a Centre's appeals policy and procedure and still holds concerns regarding the decisions.

## Process for raising an appeal

The Centre or learner has **20 working days** from the date SLQ/the Centre notified you of the decision you are appealing against (this will be from date of the correspondence) in which to lodge an appeal - this includes assessment results (learners) and Quality Assurance engagement outcomes; hence please advise your learners/staff to retain their course evidence until they receive the outcome of the award or qualification or the Quality Assurance engagement outcome.

If you appeal on behalf of your learners, you must ensure that you have obtained the written permission of the learner(s) (if under 16 years of age the legal carer of the learner should sign) concerned as results can be changed as a result of an investigation.

Learners who wish to appeal about their assessment results or about a related decision should either be supported by their Centre and/or should have exhausted their Centre's own appeals process before appealing to us. In the latter case, learners must provide us with evidence that they have first appealed to their Centre. It's expected that learners will only appeal directly to us in exceptional circumstances.

When submitting an appeal please either use the Learner Appeal Form or Centre Appeal Form at the end of this document or provide your own details with the following relevant supporting information to [contact@sportsleaders.org](mailto:contact@sportsleaders.org):

- Centre name, address and contact details
- Learner's name, contact details and SLQ learner registration number
- Date(s) you or the learner received notification of Sports Leaders UK/SLQ's decision
- Title and number of the SLQ qualification or award affected, or nature of service affected (if appropriate).
- Full nature of the appeal.
- Any relevant supporting evidence.
- Contents and outcome of any investigation carried out that relates to the issue.

### **Situations brought to our attention by the regulatory authorities**

Where the regulators notify us of failures that have been discovered in the assessment process of another Awarding Organisation SLQ will review whether or not a similar failure could affect our own assessment processes and arrangements.

### **Initial review of the appeal details**

Upon receipt of all appeals our Compliance Manager will acknowledge receipt of the appeal within **five working days** and aim to respond fully to the initial review of the potential appeal within **20 days**. Please note that in some cases the review processes may take longer, for example, if a Centre visit is required. In such instances, SLQ will contact all parties concerned to inform them of the likely revised timescale.

The first stage will be for us to undertake an initial, informal review of all potential appeals to ensure the application is complete and to ascertain if the issue can be resolved before it goes to a formal appeal. In all instances SLQ will ensure that the person carrying out this initial check will not have a personal interest in the decision being appealed.

Following the initial review of the potential appeal SLQ will write to the appellant with details of our decision to either:

1. Amend our original decision in light of the new rationale/evidence being put forward and which has now been reviewed.
2. Confirm SLQ stand by our original decision and in doing so the rationale for this decision and request that you confirm, within **10 days**, whether you now accept this decision or if wish to proceed to our formal appeals process which will be carried out by an independent party.
3. In relation to a learner's appeal against an assessment decision, confirm or amend the assessment decision made by the Centre

### Independent review process

If you decide to proceed to the independent appeal stage SLQ will arrange for an independent review to be carried out.

This will be carried out by an Independent Review Panel of three people including an Audit Risk and Compliance Committee (ARAC) member, non-executive person (who is not an employee of ours or otherwise connected to our organisation) and a technical expert depending on the nature of the appeal. The panel members will also have the relevant competence to make a decision in relation to the appeal and will not have a personal interest in the decision being appealed.

The Independent Review Panel will review all the evidence which took place in the above stages and review if SLQ have applied the procedures fairly, appropriately and consistently in line with the policy.

The independent review process may involve:

- A discussion with the appellant or the learner and SLQ personnel.
- A request for further information from the appellant, the learner or SLQ personnel.
- A Centre visit by authorised SLQ personnel.

The Independent Review Panel's decision is final in relation to how SLQ will consider such appeals and SLQ will let you know the outcome of the review within **20 working days** of receipt of the formal appeal.

If the Centre/learner is still unhappy with the outcome at this stage they are entitled to raise the matter with the relevant qualification regulator (Ofqual, CCEA, or Qualifications Wales). The regulator (Ofqual, CCEA or Qualifications Wales) is unable to overturn assessment decisions or

academic judgements. They will investigate whether the policies and procedures have been carried out fairly and equitably and as outlined by the Awarding Organisation.

### **Successful appeals and/or issues brought to our attention by the regulator**

In situations where an appeal has been successful, or where an investigation following notification from the regulator indicates a failure in our processes, SLQ will give due consideration to the outcome and will as appropriate take actions such as:

- Amend the record and risk rating of the Centre concerned.
- Identify any other learners who have been affected and correct or, where it cannot be corrected, mitigate as far as possible the effect of the failure (e.g. amend the results for the learner(s) affected following an appropriate investigation).
- Review our associated processes and policies to ensure that the 'failure' does not occur again or mitigate the situation as far as possible if the failure that occurred cannot be corrected.

SLQ will also cooperate with any follow-up investigations required by the qualifications regulators and if appropriate agree any remedial action with them.

The Responsible Officer will update the Audit, Risk and Compliance Committee of the appeal and outcome in an appropriate timeframe.
